

# Outdoor Adventure Summer Camp

Parks and Recreation is offering 5 days of exciting outdoor adventure activities for youth ages 11-14! Participants will gain experience and confidence as they master skills in kayaking, canoeing, and rock wall climbing. As they navigate through the ropes challenge course, they will understand the value of teamwork and cooperation, all valuable life skills! We hope to instill an appreciation for the outdoors in each participant, while making the process stimulating and fun! Transportation provided by Harford County Parks and Recreation.

**Monday:** Ropes Challenge at Harford Glen

**Tuesday:** Canoeing Basics at Eden Mill Nature Center

**Wednesday:** Kayaking at Anita C. Leight Estuary Center

**Thursday:** Creek Tubing with Eden Mill Nature Center
